Hi Rockie,

Congratulations on being elected to be a Clark County Coordinator!

The vetting committee is completing your vetting for the Clark County Coordinator position and will need the following information from you.

1. A filled out vetting form (see attached).
2. Proof of SIA training by sending us a copy of your SIA completion certificate.
3. Proof of notice mailings. This can be copies of your returned green cards, or tracking numbers and screen shots of the actual delivery dates, or postal receipts.

Thank you for providing your background check.

Since this vetting is for a county coordinator you do not need to request vetting from the federation as that applies to state coordinators.

We have attached a copy of latest approved vetting process for your information.

Please respond to this email address for correspondence during the vetting process.
