correction in clarification on this statement:
Lisa, I'm sorry. Paul, I'm sorry. Vinny, I'm sorry. If you guys want to continue, talk amongst yourselves and get Andy to give me an apology. As of now, this is over no one is allowed to use my work. If you use something I already did, destroy it.

Robert, I don't want to hear anything but whether you're continuing or not. Andy, if you come back with anything but an apology, this stands

I am done wasting my time with my family to get bullshit from , specifically Andy and Robert you guys wanna regroup? Approach me with a plan
