crew,

please provide me with a progress report for your lane.

please reply in a separate email addressed to me andysiivola@proton.me

also, if you have not already done so, send bobby an email requesting a link to start an account with asgconnect, log into the asgconnect app, and start with "how to do your job".

bobby is working directly with U.S. Capital bank to secure partial funding for specific lanes. comms, education, and FOSEPS.

thanks,
andy
