

I wasn't forced to retire under any circumstances.

I am a retired USAF Veteran and I have the letter to the AF Chief of Staff recorded.

I've never been a fireman. No idea where that came from.

I resigned because I refused to put up with what I considered to be AVR's ridiculous flip-flopping on Conflicts of Interest.

Vetting me was not my responsibility. I sent all the required Notice tracking data to Mark Seilstat. I also sent the \$30 background check report

to Mark. I read the report, it was entirely clean - no surprise to me.

Question for you, why is this coming up now? And you wonder why I resigned... I'm glad I did.

Thanks,

Subject: Question on you resigning from Vetting committee

Shane,

When We was talking I think I remembered that you said you was forced to resign because of your ties with the Fire department.

Was that correct or was there other reason you can talk about or would talk about.

You said Mark vetted you but on your vetting paper no one signed it and it is attached.

Thanks for any help here it will clear up a lot for me.
